Leadership track	Value for participants	Strategic value for partners
1. Entrepreneurship, Innovation and Funding	Strengthens investment readiness and commercial capability, while connecting women entrepreneurs to capital, procurement, customers and markets.	Builds a pipeline of women-owned enterprises for funding, supplier development, procurement and market-access initiatives.
2. Digital Leadership, AI and Career Growth	Develops practical AI capability, digital fluency, innovation, influence and readiness for the changing world of work.	Positions partners at the forefront of digital inclusion and future skills, while connecting them with emerging talent and customers.
3. Citizenship and Social Impact	Strengthens ethical leadership, civic responsibility, social entrepreneurship, and the confidence to contribute to nation-building.	Advances ESG, social cohesion and community-impact priorities through meaningful participant-led action.
4. Personal Leadership and Career Transformation	Builds personal mastery, executive presence, workplace influence, career mobility and succession readiness.	Supports talent attraction, retention, leadership development and the growth of a stronger succession pipeline.
5. Personal Finance and Wealth Creation	Builds financial confidence across credit, taxation, saving, investing, property and intergenerational wealth.	Creates opportunities to advance financial inclusion, deepen customer education, demonstrate product relevance and build long-term trust.
6. Health, Wellness and Sustainable Performance	Encourages preventive health, mental wellbeing, resilience and sustainable leadership performance.	Connects workforce wellbeing, healthcare access and customer engagement with social-impact priorities.
7. Rights, Relationships and Executive Parenting	Strengthens knowledge of rights, personal safety, family wellbeing and career continuity across life stages.	Advances dignity, inclusion, employee wellbeing, family support and responsible-business priorities.
8. Education and Executive Development	Connects participants to bursaries, qualifications, business schools, professional bodies, coaching and global exchanges.	Creates education, recruitment and professional-development pipelines while strengthening institutional visibility and potential enrolment.

Leadership track	Value for participants	Strategic value for partners
9. Leadership, Governance and Board Readiness	Develops governance capability, financial fluency, fiduciary awareness, strategic judgement and boardroom confidence.	Helps build a pipeline for succession, governance leadership, board observation and future board appointments.
